

# RESEARCH & DEVELOPMENT YOU DESERVE!

Companies that invest time and money on innovations and advancements in products, processes and services; or enhancing existing ones, are eligible for R&D tax relief.

Has your company invested in R&D activities within the past two years? Thousands of eligible businesses are missing out on R&D Tax Relief, where the average claim value is in excess of £50k. Are you one of them?

# WHAT QUALIFIES AS R&D?

- Overcoming technical challenges
- Creating and testing prototypes
- Streamlining processes
- Trialling new or substituting materials
- Obeveloping new techniques & methods
- Obeveloping bespoke software
- Trial, error & failure
- *⊙* Industry firsts

## **HOW MUCH CAN YOUR BUSINESS CLAIM?**
